EDUCATION

Birla Institute of Technology and Science, Pilani – Dubai Campus

B.E. Computer Science (2024 – 2028)

Cumulative GPA : 8.25

Relevant Coursework:

Data Structures • Object-Oriented Programming • Discrete Mathematics • Engineering Mathematics
• Database Management

TECHNICAL SKILLS

Languages: Python, Java, C, JavaScript, SQL

Core Concepts: Data Structures, OOP, API Integration, System Design Basics, Database Management Systems, LLM Integration

Frameworks & Tools: Streamlit, Git, VS Code, GitHub

Web: HTML, CSS, JavaScript, React, Flask

Certifications: Programming for Everybody (Python), Python Data Structures, Introduction to Front-End Development

PROJECTS

BrandkitAI : AI-Powered Brand Identity Generator

-Built an AI-powered brand identity generator using Ollama and Streamlit to transform user prompts into structured branding outputs.

-Designed modular logic for processing user inputs into organized branding outputs.

Codecavas : AI Code Execution Visualizer

-Developed a Python-based web tool that simulates Python code execution with step-by-step iteration tracking and dynamic line highlighting.

-Implemented an interactive web interface using Flask, HTML, CSS, and JavaScript and integrated Ollama for AI-generated code explanations.

Personal Intelligence OS – Productivity System

-Developed an energy aware productivity management system using Python and Streamlit.

-Designed structured task categorization logic and interactive dashboard.

Smart Academic Planner (Java)

- Built an academic task management system using object-oriented design principles.

- Focused on clean class structure and modular development.

Currency Converter API (Java)

-Developed and implemented a Java-based application integrating live currency exchange APIs.

EXPERIENCE

Creative Executive – Google Developer Groups (BITS Dubai)

Aug 2025 – Present

-Collaborate with technical teams to execute structured digital initiatives.

-Contributed to planning and workflow execution for student-led tech events.

Executive Member – Digital & Creative Team

Sep 2025 – Nov 2025

Core Committee, BITS Sports Festival 2025

-Led digital execution and coordinated with cross-functional teams for campus-wide event operations.

-Managed structured deliverables under strict timelines.

-Contributed to strategic planning and execution at an organizational level.

Intern – Institute for Career Studies

Jun 2024 – Aug 2024

-Applied SEO techniques to enhance organic reach and audience engagement.
